SUPER-ACTIVE QUICK NATURAL* CLEANER

- Effectiveness tested against market leader in a ISO 17025 certified laboratory.
- Produced with raw materials from natural origin, fully biodegradable*
- Effective and rapid cleaning action. Quick-drying

Fast-acting detergent, highly effective for ink and marker pen stains and for greasy stains. Guarantees an instant and effective cleaning action on the most stubborn stains. Leaves surfaces clean and free of traces. Eliminates the most stubborn stains such as indelible felt-tip pens, ink, etc. from hard surfaces. Ideal for all periodic and comprehensive cleaning where no rinsing is required. Floral scent, allergen-free (Reg. 648/2004), delicate and long-lasting fragrance. It contains vegetal origin raw materials (e.g. surfactants, soap) coming from the processing of coconut oil. Phosphate free. APPLICATIONS: removal of heel marks from untreated floors, removal of insects from the glass, removal of adhesives and glues from glass, floors, washable surfaces and unpainted aluminium, dry wax stripping of floors (except rubber or linoleum).

HOW TO USE

500 ml size: spray the product over the surface to remove the stain from and wipe until completely dry. 5 kg size: pour the product into the sprayer before use. Spray the product over the surface to remove the stain from and wipe until completely dry. For small surfaces and daily dirt, spray the product onto the cloth. Spot test on an inconspicuous part of material (fabrics, leather, etc...) before use to make sure it is compatible. Check colourfastness on painted surfaces. Do not use on ABS plastic (e.g. special telephone covers), keyboards, LCD screens. Do not spray the product directly onto electrical appliance components. Do not use on coated floors and surfaces.

DILUTION

Ready to use. Also suitable for the cleaning of internal surfaces within boats, ships and other transport. The suggested dilution allows to economize and reduces the environmental impact to the minimum. This product is not intended for large-scale cleaning.
